3 bedroom maisonette for sale

Description

A beautifully presented three bedroom two bathroom flat located on the first floor of this well maintained period building with a spacious and bright reception room overlooking the communal roof garden.

The apartment features three double bedrooms and two bathrooms, a semi open plan kitchen and a large and bright reception room. Allen Street is located just off Kensington High Street which is famous for its many shops and restaurants. The property is also a short walk from both Holland Park and Hyde Park.

The building has recently undergone a major refurbishment. The new main entrance is an attractive light box, with large windows and glazed doors, light limestone and beautiful LED pendant lights. The new courtyard is a delicate composition of decked walkways, green planted ground cover and specimen plants in ornamental bark on three levels, creating a leisure garden to the south for people to spend time reading, socializing or enjoying the sun. The contemporary courtyard landscape design creates a valued tranquil space in the heart of Kensington and at the centre of the residential blocks.
